

## Financing

*Westchester Modular Homes* has the answer to all your construction financing needs.

As a Westchester Home buyer, we want to provide you with a one-stop-shopping approach to building your new home. Salem Five's Modular Home Loan Program combines a construction loan and long term financing into one mortgage. This innovative loan is processed at the same and requires only one closing, saving you time and money.

Our Modular Home Loan lets you choose from a variety of mortgage programs. Our construction loan is used in conjunction with many of our loan programs giving you the flexibility to benefit from the program that suits your needs best.

Salem Five's experienced construction department is there with you during every phase of the construction.

For a free mortgage consultation or more information on Salem Five's Modular Home Program, contact:
